

ELF Capital supports the growth of Green Mobility Holding

Frankfurt/Munich – 15th February 2022

ELF Capital (“ELF”) supports the growth of Green Mobility Holding, a portfolio company of DPE Deutsche Private Equity (“DPE”), fostering its position as one of the leading mobility solution providers in Germany. ELF supports the commitment to more emission-free mobility and a healthier society.

ELF founding partner Christian Fritsch said: “It was a pleasure to work with a renowned sponsor like DPE, whose impressive knowledge of the sector and clear vision to create a leading player in the sustainable mobility space gave us full confidence to enter into this partnership. This is a clear example for situations where ELF can add significant value and provide the foundation for strong growth over the coming years.”

Franz Reiffenstuel, Investment Director at DPE, said: “We were looking for a partner to support our next growth phase and ELF really distinguished themselves through reliability, speed and an entrepreneurial mind set. We are looking forward to working alongside ELF to accelerate growth in the coming years, and, figuratively speaking, pedal together.”

About DPE Deutsche Private Equity

DPE Deutsche Private Equity is an independent German investment company that invests in SMEs in Germany, Austria and Switzerland. Founded in 2007 in Munich, DPE has since successfully launched four funds. DPE thus manages total assets of € 2.2 billion.
